## PROFESSIONAL SUMMARY

I'm a video editor with five years producing short-form social content, YouTube videos, and corporate explainer videos for Australian brands. I edit in Premiere Pro and After Effects, colour grade, add captions, and mix audio. My strength is fast turnaround without sacrificing quality — I typically return a first cut within 24 hours. I've worked with real estate agents, fitness brands, and e-commerce companies to produce content that actually converts.

## SKILLS

Adobe Premiere Pro

After Effects

Colour grading

Caption / subtitle editing

Short-form video (Reels / TikTok)

## WORK EXPERIENCE

### Video Editor

AU fitness brand · 2021-01 – Present
